## “EarthSongs: Praying with Nature”

May 8, 2008

Touched by Your hand,  
our world is holy.

We are delighted to offer this program for the third year with a new twist! Nature offers us an opportunity to reflect on the beauty God has visited upon creation. Through presentations, prayer and sharing we will discover the messages of LOVE which the Creator seeks to share with the creature! Presentation will include a virtual “Cosmic Walk.” Participants will also go on a guided tour and nature walk at the 340 acre Schiff Nature Preserve located in Mendham Borough/Township [transportation provided]. Bring your walking shoes and a passion for nature!

\$35.00 suggested fee  
Includes lunch
